# Alma Mater

In the heart of Carolina,  
'Neath its skies of blue  
Stands our noble Alma Mater  
Glorious to view  
Classic in her broad proportion  
Looks she proudly down  
Reared against the arch of heaven,  
With the stars for crown.

## Chorus

Lift the chorus, speed it onward,  
Let it never cease,  
Hail to thee, our Alma Mater,  
Hail, all hail to Peace!

Clambering o'er the wall and o'er the  
Historic ivies twine,  
As pure love and tenderest memories  
In our hearts enshrine  
Days of toil and days of pleasure  
Happiness and joy  
Hardship, struggles without measure,  
Days without alloy.

Honored be our Alma Mater,  
Honored for her past,  
Honored in the living present,  
Let her honors last!  
Long as time shall tell the story  
Long as hearts are true  
May her name be crowned with glory  
And honors ever new!

# In Appreciation of Our Art Department-

Seldom does an annual have the opportunity of recognizing in its dedication an alumna, a faithful teacher, and a great artist. The 1913 LOTUS records. "Hail to our leader in Athletics! Although the only Art Senior in our class, she has shown herself fully capable of upholding our artistic view of life. It is evident that Mabel knows a good thing when she sees it, this being the third diploma

she has taken at Peace"  
Returning to Peace in  
1938 to become the head of  
the Art Department, she  
brought with her the fruits  
of many productive years  
spent in New York and  
Europe.

Miss Pugh's life has been  
one of many attainments  
In 1919 she was awarded the coveted Cresson Traveling Scholarship of the Penn-  
sylvania Academy of Fine Arts and the President's prize Her block prints have  
won many prizes and have been exhibited at National and International Exhi-  
bitions. She is not only an artist but a writer and illustrator as well, having written  
and illustrated that lovely book for children—"Little Carolina Bluebonnet." She  
also holds membership in the Fellowship of the Pennsylvania Academy, the Plastic  
Club, and the Southern States Art League.  
To a loving teacher of whom we are very proud we dedicate the LOTUS of 1940

## THE LOTUS

*Dr. Pressly*  
PRESIDENT

With patient guidance and thoughtful advice, our president leads us through our years at Peace. His true poise, congeniality, and leadership have endeared him to us all. As we leave the portals of Peace, the inspiring influence of our President goes with us.

## THE LOTUS

# *Miss McLelland*

DEAN

In Miss McLelland, we find wisdom, fairness, and genuine interest in the problems of her girls. She is truly "Our Dean," admired and loved by all of us for her untiring work in our behalf.

## *Peace Christian Association*

CAROLINE NEWBOLD  
President

The Peace Christian Association is an organization to which every girl belongs all through the year. P. S. C. A., through its active cabinet of four officers and eight highway chairmen, arranges for religious services and entertainments which are designed to make religion a definite part of each girl's life. Thus its activities are varied, ranging from such social affairs as the party for the new girls, and the recreational activities in the cabin to the welfare work, discussion groups, and religious services.

S Sutton, Newbold, McNeely, Goddard, A Sutton, Prince, Guerrant, Fletcher, Knowles

## *Student Council*

ARINA SUTTON  
President of Student Body

The Student Council is a representative group of college girls who meet weekly to consider and act upon the problems of the school. All through the year these girls are the center of college life. They are active participants in Orientation Week. During this time they distribute the Student Handbook, which is edited by them, to the new girls and help them to a fuller understanding of their duties and privileges as members of the student body. In the early spring the council sponsors the Student Body Reception, a tradition of Peace, anticipated with pleasure by every Peace girl.

Pressly, Broughton, McCrory, Fletcher, Askew, Phillips

## Day Student Council

The Day Student Council is a sister organization to the Student Council. It meets twice monthly to discuss problems relating to the day students themselves and to day student and boarding student relationships. They too participate in orientation week and assist new day students to find their places in the college life. In the spring of the year they sponsor an entertainment for the boarding students.

The Dees Camera Club, organized in 1938 by Georgie Dees of Greensboro, offers a new field of activity for students interested in photography. Its purpose is to further the knowledge and practice of the girl interested in amateur photography.

This year the constitution and by-laws have been drawn up and signed, a definite and permanent meeting place has been established, and, with the aid of new materials, progress has been made in the printing and developing processes. The club is now subscribing to a current photography magazine, and many reliable texts on this subject have been donated and are at the disposal of the members, who do much of the snapshot work for the school yearbook.

We sing to you always--"

"Pi Theta Mu,  
We pledge you our allegiance--"

"Stand up and cheer

Peace girls join in the song of their societies almost as often as they sing the Alma Mater. Societies play an important part in the college life, as every girl belongs to one of the three. On the closed week-ends, from three different rooms come the

strains of society songs as the girls begin their monthly meetings. Each society has its own officers, sponsors, ritual, and program. There is a friendly rivalry as the old girls rush the new girls and finally pledge them to a certain society. Then follow the

initiations and the banquets. The greatest society activity, however, goes on in the spring when each society presents a one-act play. All sit breathlessly waiting to see which society will win the coveted silver cup for the best production.

When Peace was first founded there was only one literary society, called Sigma Phi Kappa. Later the

Erasophian society was formed. The society seems to have changed its name to Pi Theta Mu, for the 1906 LOTUS is the first to record Pi Theta Mu and Sigma Phi Kappa. The 1940 LOTUS welcomes the Rho Delta Chi Literary Society to our campus. We give you best wishes. There has been a real need for another society for a long time and the formation of one at this time indicates that Peace is heeding the words of another school song, "March, Onward March"

"March, onward March  
The goal is straight before us  
Bright is the light that guides us on our way,  
Wide is the world and God's blue sky is o'er us

Sigma Pi Alpha is a national honorary language fraternity in which membership may be obtained only by invitation after a student has excelled scholastically in a particular language.

The Theta chapter of this organization was first installed at Peace on May 5, 1939, and at that time Peace was the only junior college with the distinction of having a chapter.

It is the purpose of Sigma Pi Alpha to promote a keener interest in foreign language and to familiarize students with those languages.

The Theta chapter is fortunate in having as its adviser Miss Anne Raynor, the National Vice President of Sigma Pi Alpha for 1939-1940.

## Phi Theta Kappa

Gamma Phi Chapter of the national honorary society Phi Theta Kappa was established at Peace in 1939. There were at that time eighteen charter members. Girls were not accepted for membership this year until the third term. These girls are representative of the school from the standpoint of scholarship, character, and leadership. The society is fortunate in having as its sponsor the college president, Dr. William C. Pressly.

The Papyrus Club, first organized in the fall of 1936, is an organization composed of carefully selected members of the Junior and Senior classes. It is supervised by the head of the English Department.

The purpose of this club is to effect an increasingly sympathetic relationship between the faculty and the students in the English Department, to stimulate interest in creative writing and in journalism, and to publish the school magazine, "The Voices of Peace," which is the official student literary publication.

Staff "Voices of Peace"

"The Voices of Peace" has been published and read with interest since 1889, but in 1936 the Papyrus Club made the magazine its special project.

The contents of "The Voices of Peace" are entirely original, even to the designs which appear in it. The sketches this year, as well as the especially attractive, newly-designed cover, were done by art students who are members of the magazine staff.

## *The Lotus*

This is your book! We have enjoyed compiling a record of your days at Peace for you. It is now your book to use, to renew your memories, or to occupy some idle moment.

We, the staff, wish to extend our appreciation to Dr. Pressly, who so willingly gave assistance in clarifying details and in helping on difficult problems. Mrs. Worth also deserves a vote of thanks for her efficiency in spurring the staff on to further duties and in directing our line of work.

I wish to express my appreciation to a capable staff: Louise Niernsee, White McNeely, Christina Creekmore, Betty Lou Fletcher, and Polly Guerrant, associate editors; Sara Prevatte, Ann McCorkle, and Lib Jones, assistant editors; and Vivian Cobb, typist. Ellen Cochran capably directed the art work under the advisership of Miss Mabel Pugh, to whom we are deeply indebted.

Many thanks to the Business Staff for their splendid work. Under the guidance of Miss Kirkpatrick with her experienced and practical advice, they have done a good job.

We hope that you enjoy your book!

# Glee Club

Throughout the year on different occasions the Glee Club presents concerts. Three special programs are given every year: the Christmas Carol Service, given the afternoon before the Christmas holidays begin; a spring concert in April; and the program for commencement and baccalaureate services. Each girl gets practical choir experience by participating for a time in the choir for the regular weekly chapel services. Occasional radio broadcasts, such as the Armistice Day program of patriotic music, are sent out over the local stations by remote control.

During the school year, members of The Fine Arts faculty are presented in a series of concerts, the first of which is a joint recital given as a compliment to the new students.

The 1939-40 series opened with the following program: Miss Lovie Jones, director of the Piano Department, opened the program with Schumann's "Romance in F Sharp major"; Mrs. Charles F. Williams, associate teacher in the Voice Department, sang Bohm's "Calm as the Night" and "Sweethearts," from "Maytime." Mr. Herbert Bird, violinist, played "Variations in a Theme by Corelli," by Dreisler, and "Hungarian Dance" by Brahms. Miss Helen Board, director of the Voice Department sang "Oh Love! But a Day," by Beach, and "Hark, Hark, the Lark," by Schubert. Miss Nelly Phillips Staudt was the accompanist.

## Archery

Archery provides one of the most popular pastimes at Peace this year. Each girl has her own equipment, which usually consists of the standard English bow and arrow. During the spring monthly tournaments are held in which each girl competes individually.

## Tennis

As spring arrives, the tennis courts become alive with activity as the students practice and prepare to play off the annual tournament. A great deal of enthusiastic interest is shown not only by the participants but also by the other students as these tournaments, both single and doubles, are played off during the early part of May.

## Ping Pong

Ping Pong, a new indoor recreation at Peace in '39, is a favorite pastime with Peace girls. Two new tables and excellent equipment were offered to the students who have taken an enthusiastic interest in the game. Pound Robin tournaments are held. It is a popular type in which every girl plays other participants.

## *Hockey*

This popular sport each year assumes a more prominent place in the sports offered at Peace and it is fast becoming one of the most popular. During the first three months of the school year, hockey is offered to all the gym classes under the supervision and instruction of the Physical Education teacher. Those who show an enthusiastic interest are given the opportunity of playing hockey outside of the gym class. Teams made up of Preps, Juniors and Seniors are organized and exciting semi-final and final games are played. Those who do not participate in the lively action of the game are on hand to cheer on their teams.

# A Career and Your Home

---

A promising future is often-times sacrificed on the altar of household drudgery. You have planned a career—yet, you, like all other women, will some day want the pleasures and comforts of a home of your own. Must you abandon the work for which you are prepared in favor of the home? Not in this age of electrical conveniences! You can manage a home successfully and at the same time carry on with your vocation or profession. Electrical appliances will provide you with the necessary time and perform your household tasks efficiently and economically.

A forceful knock upon the door,  
A frenzied dash across the floor,  
A trip, a slip, a fateful fall,  
Six new additions to study hall.

## BUILDERS DREAMS

VISIONS created by the imagination precede the achievement of any really great accomplishment. The ability to weave the threads of imagination into the finished fabric is equally important.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff in creating their vision into material form.

Such coöperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.

To those Staffs desiring complete co-operation, we offer unexcelled service.

You, too, may be proud of your annual.
